Actions

Select Action

- Edit
- Animal Groups
- Block Calving
- API Keys
- Account Shares
- Apply FARM SHARE / COPY Token
- Apply TOPIC GROUP INVITE Token
- Update Farm Address
- Change Owner
- Prepare Configuration
- Change MRO from NMR**
- Stop MRO Data Feed from NMR**

After the form has been submitted, a data request will be sent to your new MRO. Once data has been released a new pattern analysis report will be sent by email.
